

# O2Move

## Challenging the future of mobility

### **O2MOVE IS AN INNOVATIVE SOLUTION FOR URBAN AND PERI-URBAN MOBILITY.**

By combining modern infrastructure, cutting-edge technology, and multimodality, it provides a more efficient, sustainable, and accessible mobility experience for citizens.

#### **INFORMATION**

##### **FOR THE PUBLIC**

Real-time updates on transport, traffic conditions, and available services.

##### **FOR HUB MANAGERS**

A centralized platform to monitor operations, streamline resource allocation, and support strategic planning.

#### **KEY FEATURES**

##### **SUSTAINABLE INFRASTRUCTURE**

Modular, efficient, and eco-friendly construction.

##### **CENTRAL MONITORING PLATFORM**

Centralizes operations for real-time monitoring, efficient resource allocation, and a seamless, inclusive mobility experience for all.

##### **ACCESSIBILITY**

Designed to be inclusive and adaptable to diverse mobility needs.

##### **INTEGRATED TECHNOLOGY**

Real-time information paired with features like charging stations, restrooms, lockers, and more.

# Integrating the future of mobility

**INNOVATIVE SOLUTIONS THAT TRANSFORM URBAN SPACES AND PROMOTE SUSTAINABILITY.**

## HOW IT WORKS

### REPURPOSING URBAN SPACE

Transforms on-street parking spaces into modular hub units.

### URBAN OPTIMIZATION

Maximizes urban space efficiency while advancing sustainable mobility solutions.

### MODULAR DESIGN

Adaptable configurations for expansion and local customization.

## CHALLENGES O2MOVE ADDRESSES

Reducing the climate impact of transportation.

Addressing inadequate infrastructure for seniors and those with mobility challenges.

Bridging the gap between micro-mobility services and public transportation.

Improving public transport to better serve citizens' needs.

Providing centralized, accessible information on transport and services.

Replacing outdated, inefficient infrastructure with modern, user-friendly solutions.

**O2MOVE IS FLEXIBLE AND CUSTOMIZABLE TO MEET THE UNIQUE MOBILITY DEMANDS OF ANY URBAN ENVIRONMENT.**

**START YOUR  
MOBILITY  
EVOLUTION  
WITH O2MOVE  
TODAY.**
